AN INTRODUCTION

“It was an age of miracles, it was an age of art, it was an age of excess.”

**F. Scott Fitzgerald,
‘Echoes of the Jazz Age’**

This collection of mixed drinks is a celebration of the very essence of Berts Jazz Bar. On these pages you will find a carefully curated cocktail list showcasing drinks inspired by the great Jazz cities of Tokyo, Havana, Paris, New Orleans and New York.

This book is an ode to the bon vivants, thrill seekers and glitterati who personified the Jazz age. Transport yourself back to the glamour of the 1920s and choose from classic cocktails, signature serves and Berts own bespoke creations.

Our knowledgeable and highly-trained bar team hand-craft our cocktails with skill and precision. If your favourite drink is not listed, please ask your server and we will do our best to accommodate.
